

ACCIDENTALLY ACCESSIBLE®

AND INTENTIONALLY AWESOME PRODUCTS AND SERVICES FOR YOUR UNLIMBDED® LIFE

Spot Saver Parking Barrier

This hitch mounted barrier deters drivers from parking in the adjacent parking space ensuring you have access when you return to your car. \$450.00 at <https://www.thespotsaver.com/>.

Campfire Griller

This portable cooking tool is designed to withstand the heat of an open fire while providing exceptional grilling performance. \$50.00 from <https://www.nordicware.com/products/campfire-griller/>.

01. Watermelon Slicer

The curved blades of this kitchen gadget trace along the inside of the melon, quickly detaching the juicy pink fruit from its rind in perfectly uniform slices. The device doubles as a pair of tongs, able to pick up individual slices. \$20.00 at <https://kuhnrikon.com>.

03. EaZyHold Grip Aids

EaZyHold cuffs make daily activities more accessible for everyone. Children and adults with limited or no hand mobility can use it to securely hold everyday objects, improve their independence and quality of life. From \$12.99 at <https://eazyhold.com/>.

02. Hammer Fist Multi-Tool

Perfect for light hammering projects. Its ambidextrous "Easy-Grip" handle caters to a wide range of users, including seniors, hand injuries or disabilities, beginners, and those uncomfortable with traditional claw hammers. From \$25.00 at <https://hammer-fist.com/>.

04. SnapSlide One-Handed Cap

Requiring significantly less force to operate, this no-torque closure requires only one hand to open and close. SnapSlide meets CPSC child-resistant criteria. With a distinct open-profile, when it looks closed, it is. Learn more at <https://snapslide.com>.

05. Slabathor Robotic Router Sled

Meet Slabathor: a robotic router sled designed to handle any sized piece of wood. From end-grain cutting boards to the biggest slabs, Slabathor effortlessly flattens anything for quicker, easier builds. Turn any sized piece of lumber into beautiful furniture. No matter where you find yourself on the janka hardness scale, Slabathor has your back. Sets up in three easy steps. From \$995 at <https://slabathor.com>.

06. Hydroshirt™

Crafted from a blend of lightweight, breathable fabrics, the Hydroshirt works by seamlessly integrating a removable 1L water bladder within the shirt that sits inside a concealed pouch on your back. The hands-free bite-valve straw enables easy drinking and the included removable insulated sleeve for the bladder helps keep your water cool for a longer period. \$150 at <https://www.vesselathletics.com/>.
